What is the value of one member?

Ten little members standing in a line. One disliked the president, then there were nine.
Nine ambitious members offered to work late. One forgot her promise, then there were eight.
Eight creative members had ideas good as heaven. One lost enthusiasm, then there were seven.
Seven loyal members got into a fix. They quarreled over programs, and then there were six.
Six members remained with spirit and drive. One moved away, then there were five.
Five steadfast members wished there were more. One became indifferent, then there were four.
Four cheerful members who never disagree – ’til one complained of meetings, then there were three.
Three eager members! What do they do? One got discouraged, then there were two.
Two lonely members – our rhyme is nearly done. One joined a sport team, then there was one.
One faithful member was feeling rather blue-met with a neighbor, then there were two.
Two earnest members each enrolled one more, doubling their number, and then there were four.
Four determined members just couldn’t wait ’til each won another, and then there were eight.
Eight excited members signed up 16 more. In another six verses, they’ll be a thousand twenty-four!
We are glad you are Somerset County 4-H members and leaders – keep recruiting more!

IF I HAD MORE TIME I WOULD... relax and travel with the family more often.

Ann Perry
Volunteer for June

FAVORITE ASPECT OF VOLUNTEERING: I love seeing the kids grow and mature through 4H. I have also made several very good friends through 4H.

PEOPLE DON’T KNOW THAT... there is so much more to 4-H than farming. Family and friends are always surprised that my kids, growing up in NJ, are active in 4-H. My kids and I have gotten from 4-H:

- Validation that we are successful – everyone goes home with a ribbon, a hug, or a smile.
- Deep friendships
- Connections – Someone in 4-H knows how to help with anything you are interested in.

IF I HAD MORE TIME I WOULD... see more of the fair. I am always working so I never get to really see the fair anymore.

Open Divisions are Fun for Everyone!

The open events and divisions in the Fair have been designed to give 4-H members an opportunity to try new things and compete in areas that are not club related. Rules and requirements for each of these divisions are in the Exhibitor Guide.

What have you learned from the Food Channel?

- **Bread Baking Contest** - call Mrs. Razzano for the recipe and directions. Starts at 10 on Thurs in the Arts Tent.

- **Dairy Foods Demonstration** - call Mrs. Razzano for ideas and directions. Wed at 11 in the Arts Tent.

Sheep, Alpaca, Rabbits and Goats...

all produce soft, luxurious and useful fiber! Members of these project areas will want to participate in the Fiber Division.

Flowers, Plants...

and much more are displayed in the Horticulture/Agriculture division. You do not have to live on a farm to participate. This division will be displayed in the Somerset County Board of Agriculture tent at the Fair this year. Bring your best veggies or blossoms. There are many classes in this division. Find the one for you!

Encourage your creative side!

In the Crafts Division, you can show off your talents in basketry, holiday crafts, ceramics, tie dyeing, candle making, jewelry design or anything else you like to make.

What did you make in wood shop this year? Enter it in the Woodworking Division.

In the Creative Arts Division you can display your paintings, drawings, sculpture or other art projects.

Creative Writing is for all kids with a little imagination and the desire to share an experience.

Don't have a horse? You can still participate in the Horse Science Division which will give you a chance to share your horse knowledge and the Model Horse Division which will be judged on realism and workmanship.

Did you knit or crochet a scarf last winter? Check out the Needlecraft Division, which also includes embroidery and weaving.

The Photography Division will also include digital this year!

Let’s show the public how talented Somerset County 4-H’ers can be!
**Get Inspired to Take Our 4-H Stage**

S4HL! (Somerset 4-H Live!) takes the Showmobile Stage for the 3rd year running! Again, we are looking to load the Noon hours with 4-H talent!

To host it, we’re on the look out for a House Band! If any individual of your band is a member of 4-H, then your band is eligible to audition. So send us a demo (CD or cassette) of your best songs ASAP. Better yet, let us know about your next gig and our 4-H Office will go hear you in action.

For all other 4-H talent needed to fill those Noon hours, it’s so easy to be eligible. If you didn’t already perform at the County Presentations in April, we can set up a quick audition at the 4-H Center. For inspiration, check out the description of the Open Division 14: Performing Arts in the 2005 Exhibitors’ Guide.

All talented 4-H’ers should contact Betty Sommerville (908-281-5238) or the 4-H Office by May 15.

**4-H Fair Herdsman**

All project areas are encouraged to send teens to sleep overnight on the fairgrounds. Their job is to make sure everything; animals, exhibits, and equipment, is safe and secure for the night and that the grounds are clean.

Rich and Debbie Norz are the Herdsmen Supervisors and Pauline Kodak makes a great breakfast each day.

4-H members, grades 8 (in the spring) and older may apply. Applications are available at the 4-H Office/4-H Center and are **due back by Friday, July 15**. Members need permission and approval signatures from parent’s, a 4-H Leader, a 4-H Agent, and approval from a Herdsmen Supervisor. **Late applications will not be accepted**. Everyone selected to be a herdsman must attend one of two Herdsmen Orientation Meetings at 7:00 p.m. on either Monday, July 25 or Wednesday, August 10. Adults may also serve as herdsmen. They must complete the NJ 4-H Volunteer Overnight Agreement.

**HERDSMAN SWEATSHIRTS PRE-ORDER**

The cost for HERDSMAN and OVERNIGHT HERDSMAN ONLY will be $10.00. You are entitled to one at $10.00. If you preorder your sweatshirt you will get the right size. For an additional $5.00 you can have your name embroidered. Please mail a check payable to the 4-H Association with the size and the name to embroider, if you choose, to Debbie Norz, 116 South Branch Rd, Hillsborough, NJ 08844. Any questions email: norzhillfarm@hotmail.com

If you are not a herdsman, you will not receive a sweatshirt and will be refunded your money.

**Fair Improvement Grants Available**

The 4-H Association is happy to announce that clubs, divisions or tents seeking funds to make the fair safer, more educational or fun are invited to complete a grant application. If your group received funds under this program last year, but have a new idea or would like continued funding for a successful program, you are welcome to apply again. Requests over $500 will be subject to review. Applications will be available at the 4-H Center and on the website after May 1. **Deadline August 1st 2005.**

**Ad Sales**

Thank you to all that purchased and sold ads. **4-H'ers who sold ads** - remember to take a copy of the Yearbook & Catalog to your ad customers as well as green supporter ribbons, still available at the 4-H Center.
**Improvements to the Fairgrounds**

If you drive by North Branch Park any time soon, you will see that it looks like a giant mole is at work. That's because the Somerset County Park Commission is having trenches dug to install an all new electrical system. They have been working closely with 4-H to insure a safe and convenient way to power the Fair. Work is scheduled to be completed before the big July 4th Celebration.

Thank you to the Park Commission, Tony Devergillo and Mr. Abner Mathews, Fair Managers!

**Member in Good Standing Requirements**

All 4-H members are expected to meet the following standards each year to be eligible to compete at the Somerset County 4-H Fair and any state 4-H event. In addition, you must meet these requirements to be eligible for county pins. These are the minimum requirements. Your club or division may have additional requirements (check Fair Exhibitor Guide).

- Complete a 4-H project, doing one’s own work with minimal assistance from parents or others.
- Give a club or county 4-H public presentation.
- Complete a project record book.

**Fair Planning Meeting**

**May 25, 2005, 7:30 pm 4-H Center**

Get the whole scoop and have your suggestions heard. Fair Managers will discuss the following topics:

- Traffic & Parking

  - Food, Commercial & Entertainment Committees
- Publicity & Sponsorships
- Inclement Weather Procedures
- Security & Safety
- Club Responsibilities & Yellow Pages
- Maps & Schedules
- Service to 4-H Awards

**Space for Food Vendors**

Are you craving sausage and peppers? Cotton Candy? Chinese Bubble Tea? Or something new and different? Is your 4-H Club, Scout Troop, Church Group, Key Club, Band Council or other non-profit organization looking for a fundraiser? Ask them to volunteer to work in the food tent. New groups may not have to commit to running a booth! We are looking at new ways to organize this tent and if we know we have willing workers, maybe we can find a way to benefit all. Call Ruth Slovik, Food Tent Chairperson, 908-725-6292.

**Space for Commercial Vendors**

Parents, friends or ad customers may be interested in having a commercial booth at the fair. Space is limited, but the rental prices are good and the exposure, terrific. The Commercial Gallery is a success and we hope to make it even better. Contact Dawn Hribik, 908-725-6292, and reserve your space now!
Happy Tails
by Theresa Pecina

Happy Tails prep member, Rachel Spinrad attended the Prep Rally in March. She enjoyed it very much and had fun learning about bees. Other members of the club have been working on their project books. All of the members have been thinking about the fair and its theme, and working on their display. Hop on over to the Bridge-water Library during the month of May to see the rabbit display. It’s filled with many rabbit items.

Mighty Cavitis & Rodents
by Shannon Merrill

Show opportunities were the main topics at the last few meetings, which included the Small Animal Show February 19, the Middlesex Show on March 12 and the Monmouth County Show on April 9. The Club worked on two community projects, the Hillside Roots & Shoots Forest Festival which took place on April 9 and the Trailside Museum which was held on May 1. Other topics included the selling of 4-H ads and presentations.

People Pick-Me-Ups
by Anita Haley & Tom Mazur

The Club visited the veterans at Lyons Hospital in Basking Ridge on March 6. Members shared their pets, which included rabbits, turtles, dogs and cats, with the veterans. The hospital is home for veterans of both world wars as well as Vietnam and more recent conflicts. After a wonderful visit, the club presented gift bag treats, which they had made, to all the veterans and their staff.

Clover Outreach
by Chan Leung

The “Clover Outreach” completed the Valentine Cards for Veterans project in February. Acknowledgement from the Veteran Administration for the flower bouquet and cards delivered has been forwarded to the County 4-H Association. They also delivered donations in support of Somerset County United Way’s “Baby Bundles” campaign in March. They are considering sponsoring a Walk for Cancer Cure, a birthday party for the elderly at an adult day care center, and other community projects.

Finally, congratulations to Jocelyn Leung for receiving the President’s Volunteer Service Award from the President’s Council on Service and Civic Participation.

Stablemates
by Carol Maciborski

A handful of Drill Team and Stablemate members and their horses participated in the St. Patrick’s Day Parade March 13th. They had a lot of fun! Stablemates would like to welcome new members: Ashley Serridge and Jes Hala.

The Hoof Beats
by Nikki Hoffman

The name has changed but the fun remains the same! The Barn Rats have changed their name to The Hoof Beats. In the last several weeks, they have conducted clinics on grooming and colors & markings given by senior member Nicki Hoffman and a showmanship clinic by president, Danielle Marcine. The club had a guest speaker come in to do a presentation about Natural Horse Remedies and members made their own natural fly spray. Members are now busy preparing for the show season.

Space & Astronomy Club
by Joshua M. Esparza

For millennia, man has gazed into the heavens, but only since the 17th Century has man been able to see celestial bodies beyond the range of the naked eye. When Galileo gazed upwards through his spyglass, a new chapter of history was born. As we look outward in a never-ending quest for knowledge, amazing machines that Galileo never could have imag-

Amateur astronomers are almost everywhere, including in 4-H. The Space & Astronomy Club holds many fun and educational activities including: Public astronomy nights, Club meetings with updates on current space missions, and special observation nights. The Astronomy Club’s most ambitious endeavor is to build an observatory, which will house two large telescopes, which will be available to the general public, schools, and other organizations. Please help us make this dream come true. Donations of construction materials, equipment, labor and cash will be greatly appreciated. For further information on the Space & Astronomy Club and its projects call (908) 526-6644 or see our web site at www.geocities.com/SC4HAstro.

Four Leaf Clovers
by Sue Posbergh
In March, the Four Leaf Clovers hiked at Lord Stirling Park. At their regular meeting, members voted on their annual Mother’s Day Project. (This is something all members make for their Moms.) Members talked about upcoming Club Camp. Erin Posbergh gave a presentation on Family Camp weekend in June, inviting all members to attend.

Poultry Plus
by Sue Posbergh
At the March meeting, members watched an exciting video about chicken breeds which was narrated by a captivating speaker. The club is willing to lend the video to others if they would like to view it. Members are busy taking care of their project chicks and birds. Some members are hatching eggs.

4-H Cattleman’s Club
by Joshua Bruss
The 4-H Cattleman’s club April meeting was held at the Benny Prezwozny farm. Members discussed their project reports and presentations and how everyone did. Members also came up with a lot of good ideas for their tent display at the fair. The club did a community service project on April 29 at the Rockaway Reformed Church. They discussed the idea of going to Great Adventure. Michelle Ogle did an education presentation on giving immunizations to cattle. The members spent time with Benny’s cattle and Mrs. Ogle gave instruction on preparing cattle for a show.

Modern telescopes like the Hubble Space Telescope dwarf the telescopes of amateur astronomers, however, even these telescopes are still very powerful compared to those of early astronomers. In their own small way, amateur astronomers contribute to our knowledge of the heavens. The key to the future lays outward in space. One thing is certain…. we will go to the stars!

Dear 4-H Prepper,

Circle your calendar...it's almost time for 4-H Family Weekend Camp. It takes place at the L.G. Cook 4-H Camp in Sussex County June 3-5. This special weekend used to be only for Prep families. We decided this year to invite all our Somerset County 4-H families to join in all the fun. There will be time for boating, swimming, fishing, hiking, and making crafts. There will be campfires, singing, games, and great food, too. That's just for starters!

Your parent can call the 4-H office for a registration packet or look for the tear off sheet in Clovertales to get one mailed to your home.

Sincerely,

Mrs. Kreutzer
4-H Program Coordinator

Thank you!

The Prep Rally in March about "Busy, Buzzing, Bees" was terrific! It takes a lot of people to make a day like that so special. We need to thank them.

Many, many thanks to the people who led the workshops: Beehives with Mrs. Carol Clinton; Bees Wax with Erin Posbergh and Jocelyn Leung; Pollination with Master Gardeners Eleanor Dean, Melanie Naumoff, and Grace Vitelli; Honey Snacks with Mrs. Elaine Mulrooney, Mrs. Linda Merrill, and "Sugar 'n Spice" 4-H'ers Brianna Mulrooney, Brianne Bishop, Shannon Merrill, Caroline Merrill, Jadelyn Truong, Tyrana Truong, Sara Memoli, and Jen Fulton. Thanks to Jessica Hodge, Caitlin Kober, Lauren Fox, Rachel Clinton, Mr. Chan Leung and Mrs. Deb Graham who helped with the workshops and wherever needed. Finally, thanks to the group leaders Mrs. Kober, Mrs. Brochinsky, Mrs. Rizzoli, and Mrs. Oldenburg who saw that you got to the workshops.

Be sure to save things you made at the rally for your club exhibit space in the Prep tent at the 4-H Fair in August!

Rachel Spinrad’s dad submitted this news from the Happy Tails:

“The Prep Rally was held on March 5th and was both fun and educational. The topic was honeybees and how a honeybee hive operates from beginning to end. The opening presentation was excellent and managed to get everyone, including parents, involved. The workshops that followed were equally worthwhile, and the children had the opportunity to help construct a beehive, and make candles out of beeswax. Thanks for a fun day!”

Mad Scientists  February news by Emily Zheng

“Today we are studying dinosaurs. We learned sometimes they’ll leave trackprints. Dinosaurs that flewed were not dinosaurs. We made models with clay. It was fun.”

“Meeting was presented by Mr. Patura and A.J. Members present: Emily, Cary, Ana, A.J. Justin, Allyson, Sarah, Zach, Shelby, Kathleen. In this meeting we learned about computers. A computer has 2 different parts called hardware and software. Software is the inside of a computer and hardware is the outside. Everything is connected to Motherboard.”
