

Rain Garden Rebate Program

For Residents of Hillsborough

Protect Our Water and
Make a Difference!

A rain garden is a landscaped shallow depression that allows water to absorb slowly into the ground, preventing stormwater runoff from carrying pollution to our drinking water sources.

**Rebates up
to \$450!!**

- Set up a **free consultation** with Rutgers design professionals to plan and lay out your garden
- After you install your rain garden, you can get up to a \$450 rebate
